## Request to Terminate Supervision Prior to the Original Expiration Date

The following information/request is being presented for the Court's review and decision:

Angela Dee Murphy has been supervised in the Northern District of Texas, Fort Worth Division, since her release from custody on July 17, 2015. Ms. Murphy maintained a stable residence with her family and then purchased her own home in June of 2016. Murphy has been employed the entirety of her supervision. A criminal records check was completed on July 21, 2017, which revealed Ms. Murphy has no new arrests since her release from custody. All special conditions have been satisfied and all urine tests collected from Ms. Murphy have tested negative for the presence of controlled substances. Ms. Murphy has complied with the rules and regulations of supervised release and is no longer in need of supervision. It is recommended she be discharged from supervision.

Pursuant to Rule 32.1(c) of the Federal Rule of Criminal Procedure, the Office of the U.S. Attorney was advised of our plan to request an early termination of supervision ten business days prior to submission to the Court. This officer contacted Assistant U.S. Attorney Chris Wolfe in the U.S. Attorney's Office for guidance in this matter. He informed me that he was unopposed to the early termination of Murphy's supervised release.

I declare under penalty of perjury that the foregoing is true and correct.
